MAHMOUD HASSAN

Digital Marketing Specialist | Social Media Strategist

Cairo, Egypt · mahmoud234@gmail.com · +20 101 852 4795 · Arabic (Native) & English (Professional)

PROFESSIONAL SUMMARY

Strategy-focused Digital Marketing Specialist helping Egyptian and Arab brands build a stronger online presence, reach the right audiences, and turn attention into measurable growth. Skilled in social media marketing, paid campaign planning, SEO, and content strategy, with a data-informed approach to testing, reporting, and continuous optimization. Bilingual communicator who translates business goals into clear, actionable marketing plans.

CORE SKILLS

- **Paid Media:** Meta Ads campaign planning, Google Ads, campaign optimization
- **Organic Growth:** Social media marketing, SEO and keyword research, brand awareness
- **Content:** Content strategy, copywriting (Arabic and English), email marketing
- **Analytics:** Marketing analytics, performance reporting, audience insights

TOOLS & PLATFORMS

Meta Business Suite · Google Ads · Google Analytics 4 · Google Search Console · SEMrush · Mailchimp · Canva · CapCut

PORTFOLIO PROJECTS (CONCEPT WORK)

Nile Fashion – E-commerce Campaign Concept

Concept project for a fictional Egyptian fashion store

- Designed an integrated campaign direction combining social content, audience targeting, and paid-ad concepts to boost online visibility.
- Defined audience segments and mapped ad concepts to each stage of the customer journey.

Cairo Coffee House – Social Media Strategy

Concept project for a fictional Cairo café

- Built a complete social media approach: brand voice, content pillars, post ideas, and engagement-focused campaign concepts.
- Structured a repeatable content calendar framework to keep messaging consistent.

TechStart Egypt – Growth Strategy

Concept project for a fictional Egyptian startup

- Prepared a marketing roadmap covering audience definition, SEO opportunities, content priorities, and lead-generation channels.
- Prioritized channels by expected impact and effort to guide a phased rollout.

HOW I WORK

Audience research → Goal-oriented planning → Clear content messaging → Campaign monitoring → Performance review → Continuous optimization. I keep communication with clients simple, transparent, and focused on results.

LANGUAGES
